

## AirAsia

AirAsia Berhad dba AirAsia (MYX: 5099) is a Malaysian low-cost airline. AirAsia operates scheduled domestic and international flights and is Asia's largest low fare, no frills Airline. AirAsia pioneered low cost travelling in Asia. AirAsia is also the first Airline in the region to implement fully ticketless travel and unassigned seats. However, as of 5 February 2009, AirAsia has finally implemented allocated seating across all AirAsia flights, including in their sister Airlines, Indonesia AirAsia and Thai AirAsia. AirAsia's main base is the Low Cost Carrier Terminal (LCCT) at Kuala Lumpur International Airport (KLIA). AirAsia affiliate airlines Thai AirAsia and Indonesia AirAsia have hubs at Suvarnabhumi Airport, Thailand and Soekarno-Hatta International Airport, Indonesia, respectively. AirAsia's registered office is in Petaling Jaya, Selangor while its head office is on the grounds of Kuala Lumpur International Airport in Sepang, Selangor. AirAsia was established in 1993 and started operations on 18 November 1996. It was originally founded by a government-owned conglomerate DRB-Hicom.
